## OBJECTIVE

I would like to devote all my knowledge, skill, and expertise to my profession in a way that is clearly defined by the working environment, responsibilities, and expectations. I will provide my best performance using my energy and enthusiasm. This will allow me to strengthen the organization and build up my career.

## SELF-ASSESSMENTS

- ✓ Strong motivation and commitment to work.
- ✓ Able to work in any OS platform using GUI or terminal.
- ✓ Able to work on multiple projects simultaneously.
- ✓ Ability to work independently as well as a team member.
- ✓ I enjoy coding in multiple programming languages simultaneously.
- ✓ I always love to learn new and cutting-edge technology.
